ITAFOS ANNOUNCES PUBLICATION OF NEW ESG REPORT

HOUSTON, TX – April 10, 2024 – Itafos Inc. (TSX-V: IFOS) (the “Company”) announced today the publication of its updated environmental, social and governance (“ESG”) report. The Company’s new ESG report sets forth the progress that the Company has made on ESG matters since the publication of its inaugural ESG report in 2021 and updates the Company’s directional ESG goals.

“We are proud to publish our ESG report which highlights some of our achievements over the last two years. As the times have changed, we have refreshed some of our corporate-wide ESG initiatives based upon things we have learned and are happy to share the progress we have made,” said G. David Delaney, CEO of Itafos. “Our ESG initiatives have produced tangible results and we remain excited about what lies ahead as we continue to strengthen our ESG strategy now and into the future.”

The Company’s ESG report is available under the Investors page on the Company’s website at www.itafos.com.

About Itafos

The Company is a phosphate and specialty fertilizer company. The Company’s businesses and projects are as follows:

- Conda – a vertically integrated phosphate fertilizer business located in Idaho, US with production capacity as follows:
 - approximately 550kt per year of monoammonium phosphate (“MAP”), MAP with micronutrients (“MAP+”), superphosphoric acid (“SPA”), merchant grade phosphoric acid (“MGA”) and ammonium polyphosphate (“APP”); and
 - approximately 27kt per year of hydrofluorosilicic acid (“HFSA”);
- Arraias – a vertically integrated phosphate fertilizer business located in Tocantins, Brazil with production capacity as follows:
 - approximately 500kt per year of single superphosphate (“SSP”) and SSP with micronutrients (“SSP+”); and
 - approximately 40kt per year of excess sulfuric acid (220kt per year gross sulfuric acid production capacity);
- Farim – a high-grade phosphate mine project located in Farim, Guinea-Bissau;
- Santana – a vertically integrated high-grade phosphate mine and fertilizer plant project located in Pará, Brazil; and
- Araxá – a vertically integrated rare earth elements and niobium mine and extraction plant project located in Minas Gerais, Brazil.

As at December 31, 2023 the Company has completed the wind down process of the Mantaro mine project (located in Junin, Peru).

The Company is a Delaware corporation that is headquartered in Houston, TX. The Company’s shares trade on the TSX Venture Exchange (“TSX-V”) under the ticker symbol “IFOS”. The Company’s principal shareholder is CL Fertilizers Holding LLC (“CLF”). CLF is an affiliate of Castlelake, L.P., a global private investment firm.

Forward-Looking Information

Certain information contained in this news release constitutes forward-looking information. All information other than information of historical fact is forward-looking information. The use of any of the words “intend”, “anticipate”, “plan”, “continue”, “estimate”, “expect”, “may”, “will”, “project”, “should”, “would”, “believe”, “predict” and “potential” and similar expressions are intended to identify forward-looking information. This information involves known and unknown risks, uncertainties and other factors that may cause actual results or events to differ materially from those anticipated in such forward-looking information. No assurance can be given that this information will prove to be correct and such forward-looking information included in this news release should not be unduly relied upon.

Forward-looking information is subject to a number of risks and other factors that could cause actual results and events to vary materially from that anticipated by such forward-looking information. Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements, there may be other factors that cause results not to be as anticipated, estimated or intended. Factors that may cause actual results to differ materially from expected results described in forward-looking statements include, but are not limited to, those risk factors set out in the Company’s management’s discussion and analysis and other disclosure documents available under the Company’s profile at www.sedarplus.ca and on the Company’s website at www.itafos.com. Readers are cautioned that the foregoing list of risks, uncertainties and assumptions are not exhaustive. The forward-looking information included in this news release is expressly qualified by this cautionary statement and is made as of the date of this news release. The Company undertakes no obligation to publicly update or revise any forward-looking information except as required by applicable securities laws.

NEITHER THE TSX-V NOR ITS REGULATION SERVICES PROVIDER (AS THAT TERM IS DEFINED IN THE POLICIES OF THE TSX-V) ACCEPTS RESPONSIBILITY FOR THE ADEQUACY OR ACCURACY OF THIS NEWS RELEASE.
